

**Information Released under Freedom of Information Act**

**Subject:** Companies House Information Security Management Systems (ISMS) certificate.

**Date Released:** 08/03/07

**Summary of request:** Confirmation of Companies House application of BS7799 security controls.

**Information Released:**

Companies House does have an Information Security Management Systems (ISMS) certificate. The BS7799 has now been revised to the ISO27001. Details about our certificate and other organisations' certificates can be found on the website [www.xisec.com](http://www.xisec.com)
