

Information Released under Freedom of Information Act

Subject: Companies House Contract for Office Furniture

Date Released: 10 August 2007

Summary of request: The applicant asked the following questions:

- do you have an existing contract in place for the supply of office furniture (desking, seating, screens and storage)?

If yes,

- with which company/ies do you deal currently?
- when does your contract expire?
- do you use these suppliers because they are on the 'OGC' buying solutions framework?

If no contract exists currently

- do you use the 'OGC' buying solutions framework suppliers?
- are you willing to receive overview information about our products and services?

If yes,

- who would be the most appropriate person to send information to (including their contact details)?

Information released:

Dear XXX

Thank you for your email of 9 August 2007.

I can inform you that the only contract Companies House currently has in place is for the supply of chairs. This contract is with Bridgend Office Furniture and will expire on 31 January 2008. We do use the OGC Buying Solutions Framework and other government frameworks where practical but in the instance of this contract we have used a similar framework managed by the Welsh Assembly's Value Wales Team.

We are more than happy to receive information from you about your products and services. These should be sent to Mr Geoff Coxshall, Companies House, Crown Way, Cardiff, CF14 3UZ or to his email address gcoxshall@companieshouse.gov.uk If you need to speak to him personally his telephone number is 02920 380232.
